Peptide Therapeutics Forum 2026

The forum connects participants from universities, research institutes, global pharmaceutical industry, regulatory authorities, and CDMOs, offering a unique platform to exchange ideas, spark collaborations, and shape the future of peptide therapeutics.

Invited Speakers

Dr. Anne Louise Bank, Novo Nordisk

Prof. Yael David, Memorial Sloan Kettering Cancer Center

Prof. Phil Dawson, Scripps Research Institute

Dr. Alaric Desmarchelier, Alaric Group

Dr. Thomas Fox, Boehringer Ingelheim

Prof. Christian Gruber, Medical University of Vienna

Dr. Marc-André Kasper, Tubulis GmbH

Dr. David Klein Cerrejon, Johnson & Johnson

Prof. Joshua Kritzer, Tufts University

Dr. René Thürmer, Bundesinstitut für Arzneimittel und Medizinprodukte

Prof. Alesia Tietze, University of Gothenburg

Dr. Kevin Schiefelbein, Memorial Sloan Kettering Cancer Center

Prof. Oliver Zerbe, University of Zurich

Conference Location

Biozentrum, University of Basel

Organization Committee

- Prof. Nina Hartrampf, University of Zurich
- Prof. Roderich Süßmuth, Technische Universität Berlin
- Dr. Thomas Vorherr, Technische Universität Berlin
- Prof. Nathalie Grob, ETH Zurich
- Céline Wittwer, Swiss Chemical Society

Registration fee (includes lunch and coffee)

CHF 50.00 for students

CHF 150.00 for regular SCS members

CHF 200.00 for regular participants non-SCS members

Contributed talks and posters

To apply for a short talk or a poster presentation please select the corresponding option during the registration.

Deadlines

- 29.03.2026 Abstract submission deadline for contributed talks
- 26.04.2026 Abstract submission deadline for posters
- 10.05.2026 Registration deadline
